Any change in the salary paid to the Mayor and Councilmembers is adopted prior to the next municipal election and takes effect only as to the next succeeding Mayor and Councilmembers as prescribed in Sections 302(c) and 304(c) of the Municipal Charter.</p>
<p>Fiscal Impact</p>	<p>As per the recommendation of the last Compensation Committee, the current compensation of the Mayor and Councilmembers is as follows:</p> <p>Mayor: \$13,500.24</p> <p>City Councilmembers: \$10,384.66</p> <p>The salaries are adjusted on July 1 of each year according to the 12-month percent of change in the annual Wage and Salaries Employment Cost Index for State and Local Government calculated as of December of the prior calendar year or 0.0%, whichever is greater.</p> <p>The Mayor and each Councilmember may participate in the City's health insurance program on a cost sharing basis, with the City paying 50% of the lowest cost base premium rate for individual coverage.</p> <p>The addition of the dependent care FSA would have no fiscal impact since it is paid for by the employee with pretax dollars.</p>

<p>Special Consideration</p>	<p>To change the salary paid to the Mayor and Councilmembers, an ordinance must be adopted before the election. With the current meeting schedule, this means that second reading would have to take place on or before October 29.</p>
